History-of-the-Doctrine-of Believing-Lies: The Doctrine of the Plan, Narrated by the SPIRIT-OF-TRUTH by RD:Reclamation-Decipherer

Get your waders: the plan is to wash the doctrine then burn the bullshit to ash, for ALL-TIME.
So our LORD ABEL THE RIGHTOUS GOD, found the FORTUNATE-HEWBREW Abraham.

Abraham is under the subjections of the doctrines of SATAN, spawned from that bullshit

(believe a lie, you will not die). SATAN searches the truth of the outline of the doctrine (believe a lie, you will not die), but the perception of GOD the TRUTH-IN-ALL-THINGS is only what ADAM learned, ten-percent of the TRUTH. Therefore, how many lies do you think the spirit of that bullshit (believe a lie,

you will not die) SATAN search out? The outline is weak at best. SATAN searched JOB and made a wager, in KNOW-TIME. The book of JOB is not to pleasing to people, we know the OLD-TEXT was tampered with. A quick question: Will GREAT-I-AM let you kill? If you judged right, you know GOD would

not let you kill, because HE is KNOW RESPECTOR of PERSONS; with that said JOB is having visions, in KNOW-TIME. When his kids were killed, he did not believe the lie that GOD let anyone kill his kids or was responsible, when he got sick he did not believe the lie that GOD made him sick. His wife tried to get him to

blame everything on himself so GOD will forgive him but JOB will not believe a lie about GREAT-I-AM from his wife nor his friends. SATAN loses to his BOSS, LORD-ABEL-THE-RIGHTOUS-GOD. In his loss SATAN reveals the way the spirit that hunts you in thought, the thoughts to be god we all

have, it is in the words you speak that shows the spirit that drives you, the spirit ADAM and EVE gave everyone (believe a lie, you will not die). SATAN is just doing his job, keeping to the outline of the bullshit doctrine; some immature-minds without any life experience to make the right judgements would

create. Study the book-of-JOB with that in mind. Back to the plan: Knowing how the spirit of that doctrine drives men to believe a lie. The only plan is to kill the doctrine. In comes The FIRST and The LAST, The sacrifice, The DOCTRINE-KILLER.
